

Maths

Y3/4

Unit 15: Stats

Unit 13: Time

Summer 2

Unit 14: Geometry - Angles & 2D Shapes

Unit 12: Money

Unit 11: Decimals II

$$\frac{3}{7} + \frac{5}{7} = \frac{8}{7}$$

Unit 7: Length & Perimeter

Unit 8: Fractions I

Spring 2

Summer 1

Unit 6: Multiplication & Division II

Unit 9: Fractions II

Unit 10: Decimals I

Spring 1

Unit 5: Multiplication & Division I

Unit 3: Addition & Subtraction

Autumn 2

Unit 4: Measure - Area

Unit 2: Place value 4-digit II

Unit 1: Place value

Unit 14: Angles & Properties of Shape

Sport	Number of people
skiing	☺☺☺☺☺
snowboarding	☺☺☺☺☺☺☺

Key: Each ☺ represents 2 people.

Y4

Autumn 1

What we will learn in Year 4:
Build on Y3 learning
Follow key areas of Maths
Developing Fluency

Summer 2

Fractions II Continued

Unit 10: Capacity

Unit 9: Mass

Unit 13: Time

Unit 12: Money

Summer 1

Unit 11: Fractions II

Unit 4: Multiplication & Division I

Unit 5: Multiplication & Division II

Unit 7: Length & Perimeter

Spring 2

Addition & Subtraction II Continued

Unit 6: Multiplication & Division III

Unit 8: Fractions I

Autumn 2

Unit 3: Addition & Subtraction II

Unit 1: Place value with 1,000

What we will learn in Year 3:
Build on KS1 and build on mathematical concepts alongside skill of 'working mathematically'

Autumn 1

Unit 2: Addition & Subtraction I

Y3
