SCHOOLWEAR & SPORTSWEAR SPECIALISTS

Dear Parent/Carer,

We are very excited to have a new school uniform provider in **SportCrest**.

We have worked with SportCrest to ensure the best possible materials are used thinking about maintaining colours after many washes whilst also being as environmentally friendly as possible.

School uniform is available to buy in store, which is situated in the Eden Shopping Centre and can be ordered online here:

We are introducing a summer polo shirt, which we think looks great and will make those summer months feel a little cooler.

You will notice the logo on the uniform has changed, which we are excited about. We are happy for the old uniform to still be worn until the children need new uniforms due to wear or growing out of them.

Yours Sincerely,
Mrs L Parry-Woolner
Headteacher
