

## What is happening at Beechview

### World Book Day

World Book Day at Beechview was an utter success - or should we say at Willy Wonka's Chocolate Factory! The pupils and staff had so much fun celebrating the wonderful of reading through games, reading buddies and so much more. Here are some photos of some of the fun had when Beechview Academy became the wonderful world of Willy Wonka!

### Football Matches

This week we had a year 3 football team represented Beechview in a football match against Ash Hill. Although we did not win, there was great skill being shown by our young players and a bright future ahead! Although - we do need to speed up the changing element!

Thank you to Mr Holland for organising this event.

**Coming next** - In April, we have some Year 4 girls representing Beechview in a football tournament against a number of different schools. Looking forward to updating you all on that!

## Next Week!

### Science Week

We are very excited to launch Science Week next week through STEM workshops on Tuesday and Friday afternoon. The theme across the country for Science Week this year is 'Adaptation' - which we are looking forward to finding out more.

On Friday afternoon, we want all our pupils to wear their house colours for their final activities. If they could bring in a change of t-shirt/trousers/clothes for the afternoon that would be great - It will support the house battles!

## IMPORTANT NOTICES

### Uniform reminder (Especially PE)

Please ensure the uniform policy is being adhered to - we will have a revitalised push on this next week as we do not want it to slip. Pupils have been looking super smart and ready for learning, and we do not want this to change as the year goes on.

### Lost property

Our lost property collection seems to be overflowing - please do come into reception at any time and have a look for any missing items.

### Healthy Lunches

We continue to work on our healthy schools award and ask for support from you with regard to school lunches - please ensure healthy options are being chosen and no 'grab bags' of crisps or bars of chocolate are being sent in. Thank you for your support in making Beechview Academy a healthy school.

## Update from the Headteacher

What a great start to a wonderful half term already - We Are Scientists half term has hit the ground running! It has been wonderful seeing the school busy again after half term and so many keen scientists ready for the term.

World Book Day was a real treat at Beechview, with the whole school becoming Willy Wonka's Chocolate factory! There were Oompa Loompas everywhere. Willy Wonka (Miss Edington) really delivered a treat on Thursday with a wonderful assembly of book games, a golden ticket treat, poetry competitions and book clubs galore. Oh and a few characters of the wonderful 'Charlie and the Chocolate factory' hanging around! Our golden ticket reading winners were Rex, Alysia, Tanya and Richard - Well done for all that home reading!

It was great to see so much enthusiasm around reading with all the children actively engaging in the plentiful activities set out for them. It was lovely ending the day seeing all the year groups reading with different year groups - sharing the love of reading and some really good stories.

Next week is Science week, and listening to what the STEM team have planned is exciting. Science week here we come.

**Yours Sincerely,**  
**Mrs Parry-Woolner**

As part of World Book Day, we ran a poetry competition for our pupils. The winning entry is below and what a poem!

*Winning Entry*

*By*

*Mia in 6 Pine*

### *Spring falls*

*Upon the cool breeze,  
The flowers bloom.*

*I hope no one makes this day turn into doom,  
I say as the sun turns into the moon.*

*The stars glisten, the stars glow,  
Oh how I wish this won't depart though.*

*Today seems like a perfect day,  
The trees seen dancing, and the sky is a midnight blue.*

*The full moon is shining into my crystal blue eyes.  
"I hope we will meet again"  
"Goodbye."*

*My eyes tear up as I remember that line,  
Realising that my true love was a lie.*
