

What is happening at Beechview

Healthy School Award

We are proud to announce we managed to achieve our Healthy School Self-Validation award with what we have embedded in the school and our curriculum.

As always we want to continue to take this further, constantly improving the pupils knowledge of healthy living along, especially with regard to meals. One of our year 6 pupils wanted to share with everyone the sort of lunch she prepares for herself to ensure for a healthy lunch box.

Eggcellent Attendance & Easter Egg Hunt

Over the last week we have started the count down to the Easter break with some 'eggcellent attendance' and Ms Byiers infamous Easter egg hunt. The children have worked hard on both, although there has been a chicken pox flare up. We hope all our children are feeling better soon and are up and running to enjoy the sunshine.

The Easter egg hunt was an opportunity for the pupils to add points to their houses and boy, did they take the opportunity - it was amazing to see them filling up their house pots with Courage coming out on top with the largest number of eggs found.

Parents Evening

It was great seeing so many parents at our parents evening this year. We appreciate how everyone adapted to the format as it made it easier for people to move around the site and get to the different teachers by holding all meetings in the hall.

Next stop will be end of year reports, but we have so much more to learn before then!

MET Update

As you are aware from correspondence over the week, we are excited to have Great Marlow School join the trust with Kevin Ford taking on the CEO role full time. We have already set up a great relationship across the schools in the trust and cannot wait to continue this, with the potential to grow with more schools joining together to work in the best interest for our wonderful pupils -

Collaborate to Inspired, Flourish & Succeed.

Uniform Reminder Ready for the Summer Term

Next term we can start wearing our summer uniform which is polo shirts and summer dresses, without ties.

All pupils still need to wear black school shoes.

We want to maintain high standards of uniform which we have seen slip a little at the end of this term so let us start a fresh in the summer term with perfect uniform!

Update from the Headteacher

It is the end of our Spring Term, with 'We Are Scientists' drawing to a close. It has been an action packed half term with STEM week, our Writing for Pleasure residency, more AIM High Writing Days and ending with parents evening. It was lovely seeing so many of you in person at school and we had a very much improved attendance from parents so thank you for that.

Next term, we begin with 'We Are Historians' which is always an exciting one as we delve into the past from the stone age period all the way to the Vikings, with Year 4 looking at European History with the Ancient Greeks and our Year 6's understanding the impact of Early Islamic Civilisation has on us all today.

All the staff at Beechview want to wish everyone a wonderful break. If the sun keeps shining it is a great opportunity to get out and about together - spring walks can prompt some wonderful conversations.

See you next term for yet another half term jam-packed with learning and events as always.

**Yours Sincerely,
Mrs Parry-Woolner**

Something to celebrate!

The most dojo points collected:

Since wb 24th March:

- 30 - Zara
- 4C - Emilia
- 4E - Emily
- 5H - Grace, Lilly
- 5W - Casper
- 6P - Harley
- House: Destiny**

Since wb 31st March:

- 30 - Zara
- 4C - Isla, Lindsay, Rishvan
- 4E - Emily
- 5H - Hassan
- 5W - Casper
- 6P - Frances, Katie
- House: Destiny**

Class Dojo Half Term Winners

- 30 - Zara
- 4C - Rishvan
- 4E - Emily
- 5H - Lilly
- 5W - Casper
- 6P - Isabelle

Stars of the Week

28/03/25

04/04/25

Weekly Attendance Champions:

28/03/25 - 6 Pine 95.69%

04/04/25 - 4 Cedar 89.58%
