

What is happening at Beechview

School Council Visit

On Monday 28th April, our School council had a visit from the School Council from Foxes Piece Primary. This was an opportunity for both school councils to collaborate on issues and initiatives that are important to them. It was great seeing our school council giving a tour of the school, sharing what they love about the school and what they are working hard to improve.

Sports in Mind Workshop

This week we had a very exciting opportunity to take part in Sports In Mind workshops on Tuesday and Wednesday with Chloe. The workshops were sport sessions which aim to help build confidence, self esteem, support low mood and other mental health challenges. These are all opportunities for our Healthy School status to come into play, with the children learning strategies to keep their minds and bodies healthy.

Our Beechview Foxes and Tiggywinkles

Just before the Easter holidays, it came to our attention that we had a mummy fox that had recently given birth to some fox cubs under our outdoor classroom. Over the Easter they had free reign of the school to spend time together and build strength and confidence. Since we have been back we have seen that our fox family has moved to the back of the field and are in the forest area. Ms Byiers set up a night cam to try and catch our school wildlife and over the weekend we could see that they come out and play on our playground and around the outside classroom.

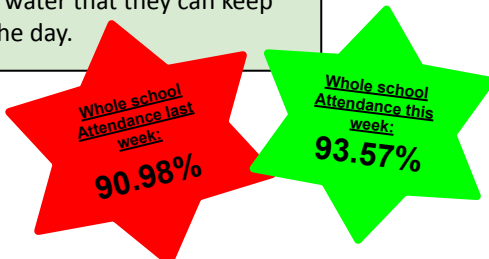

Unfortunately, last week we did discover a poorly little cub that was really struggling and had been left by the mum. This happens if the cub is unwell and the mum cannot help, she makes the decision to focus on the other cubs. Thankfully our Beechview community was here to help mummy fox, by taking the poorly cub and sending him to Tiggywinkles in Haddenham. This is a wildlife hospital that works really hard to help keep our local wildlife healthy and well. We know whatever happens that this is a wonderful place and is constantly needing donations to keep it running, and also they have a wonderful visitors centre where you can see some of the animals they have helped.

Hot weather & Uniform

We have begin to see some rather warm weather. When the sun is out can you make sure:

1. You apply factor 50 suncream at home
2. Your child comes in with a sun hat
3. They have a bottle of water that they can keep refilling throughout the day.

Update from the Headteacher

The sun is shining on the start of 'We Are Historians'. It has been a fabulous start to the term, with pupils focused, calm and thoroughly enjoying their learning and playtime on the field - along with our resident fox family, which has been a delight to see playing at the back of the field early in the morning and through our night cam.

In the last two weeks we have had many wonderful visitors starting with our Phonics Development advisor, with loads of support and next steps. She was followed closely by the School Council from Foxes Piece Primary in Marlow, who worked with our school council - sharing ideas and of course, taking a tour of our wonderful school. The Trustees from our Trust took time out of their day to visit Beechview and look at the wonderful things happening here, even being here to witness some of the amazing Sports in Mind workshops organised by the Welfare team.

As we get ever closer to the End of Key Stage tests, we see our year 6 pupils and team remaining focused and calm. As a school, in assembly, the pupils generated ideas on how to support the year 6's with reference to smiling at them, telling them they will nail it and creating a calm school for them to remain focused in - we have some wonderfully kind and caring children at Beechview. What a community!

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!

The most dojo points collected:

Since wb 22nd April:

30 - Anaya
4C - Emilia, Lindsay
4E - Imogen
5H - Scarlett
5W - Millie
