Governors and Friends

What is happening at Beechview

Sports for Champions & Superkind

A reminder to get those sponsorships this weekend as we need to have all money in on Monday! We are very excited to welcome Ade to Beechview for our sporting challenge event which I know the pupils at Beechview will thrive doing. And don't forget, this is a great way to earn some of those Superkind Badges!

AIM HIGH Writing Day

Last Thursday, we welcomed Coral Rumble to Beechview to lead an AIM High Writing day for Year 4 and 5's across several schools, including ours. It was great hearing some of the creativity and imagination flying out the door as we passed by... a future with many poets in it we believe.

Celebrating our '4 Schools Project'

Over the last couple of years, as celebrated in some of our newsletters, we have been lucky enough to work with the '4 Schools Project' organised by Ryvers School in Slough. This has been a collaborative experience between a number of schools where subjects have been delved into and strengths have been shared. This has been an opportunity for the school and staff to see best practice and use some wonderful examples to improve outcomes for our pupils and what a success it has been. As part of the end of the year, there was the '4 Schools' celebration where members of the SLT went to listen to the impact and outcomes of this project and start planning for next year - watch this space!

Hot Weather!

As the weather warms up please remember to put sunscreen on your children before they come to school. We would recommend factor 50 with long lasting effect, as we do not put sunscreen on at school.

Please make sure you send in a sun hat and a bottle of water also.

We definitely do not expect pupils to wear ties in the summer term, and children may find the polo shirts are lighter option at this time of year.

Update from the Headteacher

We have thrown ourselves fully into "We Can Change Our World" topic this half term, with all the classes thinking about a sustainability pledge they can make for this half term, and hopefully longer. As a school, we have recently changed our printer setup to save paper and be more planet-friendly, which we are very excited about.

This half term is a busy one with sports day on the horizon, athlete visits, residentials and end of year reports, which the teachers are currently working hard on. This is the time of year where we work with the children to ensure interventions are in place to support them in any gaps in their learning which they need more practice in. With this in mind, it is very important your children are in school as best as possible. It is this time of year we have seen patterns where pupils have been taken out of school for early holidays. This is detrimental to the transition for them into next year not only because there is so much to continue to learn in the summer curriculum, but we enable multiple transition opportunities for pupils with bespoke interventions. Thank you for your support with attendance - it has such a positive impact for our pupils.

Summer is very much here with the sun shining and the temperatures rising and we cannot wait to find out all the ways we can change our world for the better.

We always appreciate all your support on our journey.

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!

The most dojo points collected:

Since wb 3rd June:

30 - Alishba, Freddie, Giovanni
4C - Rishvan
4E - Deegan
5H - Lily-Rose
5W - Chinedu, Ava
6P - Daniel, Zayd
House: Courage

Since wb 9th June

30 - Alice
4C - Savannah
4E - Emily and Sienna
5H - Ava
5W - Myra, Rawahah, Savannah
and Vihaan
6P - Isabelle
House: Destiny

Weekly Attendance Champions:

06/06/25 - 4 Cedar 93.81%

13/06/25 - 4 Cedar 92.06%
