

## Newsletter 27th June 2025

For Pupils, Parents, Carers,  
Governors and Friends

### What is happening at Beechview

#### Longridge

Longridge was a great success - the children really challenged themselves completing the activities and also staying overnight away from home which is a big deal at this age. They should be very proud! The adults who attended loved every minute and enjoyed the teamwork they saw from these wonderful children.

#### Sports for Champions & Superkind

Thank you to everyone who contributed to the Sports for Champions fundraising event. The children were fantastic in asking safe sponsors and we raised, through your generosity, a whopping £720.29.

#### Superkind - Social Impact Award

You may have seen on Class Dojo the announcement that we have achieved the Superkind Award this year. The children came together to earn 'badges' towards this achievement. We look forward to these positive changes carrying on into the new academic year. We are ending the year with classroom pledges to help us change our world in a positive way.

#### Sports Day

Thank you to everyone who was able to come and support with Sports Day this year. The children showed great enthusiasm and a great attitude towards each other. For those that took part in the adult races, a huge thank you. You were marvellous!

A special shout-out to Miss Paulina, who organised the event. We are already looking forward to next year!

Well done Inspiration for winning this year's Sports Day!

#### Suntastic Attendance

To encourage positive attendance up to the end of the school year, the children have been issued our next attendance challenge: collect 12 stamps for each attendance over a 15 day period. If they are able to achieve this, in the last week of term there is a fun and bouncy surprise! Please help by continuing to encourage your child into school.

### Update from the Headteacher

We have had a busy couple of weeks recently with residential trips, sporting champion visits, sports day and so much more. Summer term is never the wind down families expect - it is the half term to ensure gaps in knowledge and understanding are filled, preparations for a strong start next academic year are made and we celebrate the progress and successes we have had.

This half term we are taking an opportunity to really hone in on the writing skills linked to transcription - with interventions in handwriting and spelling be key, along with opportunities to really understand the grammar around high quality sentences. The pupils are really taking it all in their stride - which is a joy to see.

Last week really shone a light on the successes of movement and how the pupils have excelled in their PE lessons, showing resilience and improvement in their personal bests at Sports day along with the Sports for Champions challenge. It is so important to keep moving as a way to keep healthy, and the children at Beechview really embodied this throughout the week. We ask now for this to continue and movement is given the focus it very much deserves, and we require.

I am excited, as always, about what the next few weeks will bring in our children's learning and experiences.

Yours Sincerely,  
Mrs Parry-Woolner
