What is happening at Beechview

Ofsted Celebration - Save the Date!

We want to invite you all to a celebration at Beechview on **Friday 3rd October** in the afternoon (Specific time TBC) - This is a chance for us all to get together as a community to celebrate the recent outcomes from the latest Ofsted Inspection and the wonderful start to the year! We will send out more information as soon as possible.

Jeans for Genes

This Friday the school was awash with denim as it was 'Jeans for Genes' Day. It is a day about raising awareness for children with genetic conditions (faulty genes). We talked about it in assembly and even spotted a character from one of our school texts in the information about genetic conditions which the children were excited about. Once again, thank you all for supporting us in raising awareness for our pupils and fully investing in these days.

One Can Trust

We are continuing to work with One Can Trust to support families facing financial hardship. If you need support through FREE breakfast or lunch for your children. Please scan the QR code and complete the Google Form so a referral can be made on your behalf. Please note a short survey will need to be completed twice a year for One Can to monitor the impact of their support.

Morning Drop Off

The large gate at the front of the school opens at 8.30am to ensure parents and children are safe and away from the road due to overcrowding. However, we do ask that parents remain with their child(ren) until 8.40am when the internal gate opens. We have children, who have been left running around playing but going in and out of the main gate, which is unsafe.

Lunch Time Music Club

We are excited to offer a Music Lunch club on Fridays with an external music teacher - an opportunity to play instruments, be part of a band or just make music. Please keep an eye out for a letter with how to sign up with further details.

WE NEED YOU!

Parent, Teachers and Friends Association

This year we want to set up a PTFA to support in running more exciting school events and supporting the school in fundraising opportunities and we need your help. If you are interested in being part of the PTFA for Beechview please contact the school office at office@beechview.org.uk

We now have a well established School Council, Beechview Voice, who are very willing to help and work with an enthusiastic PTFA to further establish events, opportunities and fundraising for Beechview.

Welcome from the Headteacher

The term is in full swing and it has been lovely being back together. I am proud to be the Headteacher of such a wonderful school, where the staff and pupils are so welcoming, kind and happy. It has been lovely being at the gate in the morning and catching the children smiling as they come in and speaking to all of you, our wonderful parents. Myself and the staff have very much appreciated the congratulations we have had from a number of you with regard to the Ofsted outcome and we are excited to invite you into school on Friday 3rd October to celebrate.

Although Ofsted have been and gone, we strive forward in the schools development and continue with determination to further improve and we know we can. I will continue to update you on any new school initiatives and the impact of continued work and hopefully you will see it in your child's work, understanding and enthusiasm for learning.

The sun seems to be back for a while so have a lovely weekend and see you on Monday.

Yours Sincerely,
Mrs Parry-Woolner
