

What is happening at Beechview

Clubs!

Our Spring clubs have started and what wonderful uptake we have had! Nearly all the clubs are full!

We love seeing the board game club in action, and the craft club are already plotting their next creation. Cannot wait to see what it is!

Parking!

We have a real crisis on our hands with parking around the school by parents picking up pupils. On a regular basis we have members of the public and local neighbours calling and emailing the office with complaints about parking. The biggest problem, is reckless parking on pavements that require pedestrians to then walk in the road, including children.

It is our duty of care to safeguard the pupils at our school and we take road safety seriously. We have repeatedly requested parents to not park on pavements, on the zig zag lines outside of school or on double yellow lines but unfortunately we continue to have the same problem and we feel it has got worse. We have made the decision to share cars that are parked illegally in our newsletter as the next step as a preventative - so once again please park safely, if that means parking further away and then walking across then that is what is needed.

Here are some examples of how not to park as this endangers our pupils' lives.

Message from the Headteacher

Happy New Year!

What a great start to 2026 - even if the weather has been a little cold, wet and grey!

We have jumped right into our 'We are Geographers' half term focus with Year 4 visiting the desert along with going back in time with the Ancient Egyptians, whilst year 3 delve deep into the Peruvian rainforest to understand Paddington, our loveable bear. Year 5 travel to the biome of the wilderness in Texas through 'Holes' written by Louis Sachar whilst Year 6 unpick 'Migration' of people through historic events like the Windrush and migration of animals in Science.

Young Voices is on the horizon which is very exciting for our year 5's and I am especially excited as I will be going with them for the first time!

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!
