What is happening at Beechview

Parking Enforcement

Unfortunately, we continue to see illegal parking at pick up and drop offs so you may have seen a parking enforcement warden and a PCSO. We have contacted our Thames Valley Police team, who are linked to Beechview, about our concerns for the children's safety at these time. We recognise that parking is difficult around the school however, it is not a reason to park illegally but an opportunity to park further away and walk to school.

Thank you to all the families who do make this effort and for being brilliant role models to the children of Beechview and the surrounding community.

Bucks MIND workshop

We were thrilled to have Bucks Mind come and work with Beechview in honour of Children's Mental Health Week where we strengthened the understanding between mental health, kindness and bullying.

While we strive daily to support pupils in their communication skills and behaviour, the pupils continue to inform us, and we have seen, examples of bullying behaviours occurring. As you know this is not behaviour that is taught at home nor in school but can often be a result of other things occurring in that child's life. While we appreciate this and provide the necessary support, we acknowledge the impact it has on the mental health and wellbeing of others, which is why we continue to appreciate your support when difficult conversations are had.

We hope the children found the workshops beneficial and we will continue to work with our Beechview families to support all children be the best version of themselves.

Religious Occasions

Spring is here and with that so comes the Christian observance of Easter and Ramadan for our Muslim community.

Over half term some of you may have made pancakes for your families on Shrove Tuesday and attended local church services for the start of Lent having thought about what you will give up for 40 days.

Ramadan also began during half term and we returned to school with fantastic assemblies informing us all about this festival. Currently our Muslim families and friends are fasting between dawn and dusk, which includes no drinking either. As part of their religious practice they also strive to be the best version of themselves during this period and give to charity to support others.

Each of these long observances, require dedication and self discipline. We wish everyone well during this time.

Staff

Beechview Academy staff are committed to our community and some staff have been here for 10 years! Please take a moment to recognise the massive contributions both Ms

Byiers and Mrs Irfan have made during their time at Beechview. We want to take a moment to thank them for their dedication and their continued support.

Upcoming events:

Spring Disco is currently being organised by our new PTFA! Look out for more information coming soon!

Our next Parent Coffee Afternoon is with Bucks Carers on the 9th March. If your child is a young carer or you are not sure, come along to learn more about what support can be offered. Please [click the link](#) to sign up!

Message from the Headteacher

Spring is in the air as we close in on March! It has been a great start back with a glimmer of sunshine on Wednesday and the promise of lighter days.

We have started our 'We Are Scientists' half term work with circuits being investigated in Year 6, planets being explored in year 5, inventors being discovered in Year 4 and the children are 'lighting' up year 3.

Although a short half term we have a lot to get through at Beechview with parents evenings, Spring discos, World Book Day and so much more. It is a busy half term - ***please do continue to read with your children everyday and ensure they are practicing their times tables as these are essential to their academic success!***

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!
