

What is happening at Beechview

SATs

Year 6 have worked hard all through their time at Beechview in readiness for the statutory assessments held last week. I am sure you will agree that we, both school and home, could not be any prouder of the efforts they have made. We are confident our Y6s are ready to thrive in whatever they set their hearts to. They have learnt the knowledge, honed their skills and will be soon ready to leave us. Well done, Year 6!

Y5 Residential

Y5 had an action packed overnight stay at Beechview where they set up their own bell tents, learnt to filter water and made amazing safety bracelets! The children were impeccable and shared that they had a great time. We hope the current Year 4 parents will be considering this opportunity for their children too next year.

Coming soon!

MTC After the half term Y4 have their Multiplication Tables Check where they answer 25 random questions covering times tables up to 12x12. Please use the half term to continue practising this valuable skill - we look forward to seeing how they do!

Banji Alexander - An author and teacher with rave reviews from Britain's Got Talent is visiting us on the 17th June! Thanks to Beechview Voice using their persuasive writing skills, they wrote several letters to him urging him to come and visit Beechview. Miss Edington sent their letters and today opened his response in front of the school during assembly. The excitement was palpable! The answer was YES!! We are very much looking forward to his visit.

Message from the Headteacher

As we come to the end of another half term, there is a lot to celebrate. Our year 6 pupils have taken their end of Key Stage SATs tests and showed such amazing determination and resilience. To celebrate the completion of these they have headed to the Rye for the day on the last day of term, so look forward to hearing about the fun they have had.

Our school council managed to persuade an exciting author to visit through very persuasive letters - Banji Alexander is visiting us on 17th June! He has set a challenge with hats and shoes so excited to see what that brings!

I want to wish you all a lovely half term and cannot wait to see you for our final half term of this year where I know "So We can Change Our World".

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!

PTFA Notice: Summer Fair 17th July

The PTFA have plans underway to run our first Summer Fair at the end of the school year. They will be in contact soon after the half term with requests for support. In the meantime, please start thinking about any teddy donations or toiletries that can be part of raffle prizes.

If you work with a company or know someone who might be interested in gifting a product or service to the school as a prize, please contact the school office and the PTFA will be in touch. Thank you already for the support you have shown and we are looking forward to spending the afternoon with you all on the 17th July!
