

What is happening at Beechview

Musical Theatre Club Performance

Wow! What a show! Thank you to the children who took part in the production of Matilda. You were fabulous and there has been so many lovely comments from other children celebrating your achievements. Very well done to you all!

Also a huge thank you to all the adults who supported: Mr Harker, Miss Ring, Mrs Judson, Mrs Parry and Miss Tarbuck - it would not have been possible without you.

NSPCC

This week we had a representative from the NSPCC in to deliver a workshop to both Year 5 and Year 6, supporting their understanding of safeguarding and keeping themselves safe. It can be a sensitive topic but we appreciate the support in knowing how important it is to teach. In the next couple of weeks, staff will be completing the survey for the NSPCC. A handful of families have opted out of this and this will be respected.

SATs

In a couple of weeks the Year 6s will be sitting their SATs. They have been working hard all year and have been doing a great job getting ready for it. There are lots of resources available online to access should they want to check them out but getting lots of rest and relaxation in the lead up is paramount. Maintaining a healthy diet, good night's sleep and practising calming strategies will all contribute positively to their wellbeing. We are so looking forward to the children having this opportunity to show off all their hard work and we are wishing them all the best with the upcoming assessments.

School Nursing Service

Buckinghamshire Healthcare NHS Trust School Nursing Service are introducing **ParentCarerChat**, a new text-based support service for parents and carers of school-aged children across Buckinghamshire.

ParentCarerChat enables parents and carers to text a qualified member of the **School Nursing Team** for advice and support on a range of common health and wellbeing concerns, including behaviour, healthy eating and puberty-related questions. All messages are responded to directly by members of the School Nursing Team. Check it out!

Congratulations to Mrs Buston - 25 years at Beechview!

Mrs Buston has been an invaluable asset to the school for 25 years. She has had many roles within the school and has loved seeing the children grow and then return with their own families. Mrs Buston has shown great dedication to our Beechview community and we want to take this moment to thank her for always having a smile on her face, always being willing to help and hope she will continue to be part of the Beechview family for many more years to come!

Message from the Headteacher

Welcome back for the Summer term and the sunshine has really been setting the tone. This half term whole school theme is 'We Are Historians'; our Year 3's head back to the stone age, Year 4 learn more about the Greek gods, Year 5 travel along with the Vikings and Year 6 go back to early Islamic civilisation.

This half term is an important one for our Year 6's who sit their end of KS2 SATs, followed quickly by transition activities for their move to secondary school. This is the half term to boost confidence and self esteem. Year 6 have worked really hard and this is their time to shine and show all their learning.

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!
