Year 5 Mentoring Programme Celebration

Some of our year 5's have been receiving mentoring from some sixth formers from John Hampden Grammar School and Wycombe High School. This is the first year this has been organised and it has been an absolute success with peer support networks been set up and improved learning for all.

As a celebration of everyone's hard work, the mentees had an opportunity to visit the mentors in their school which was very exciting. They played games, visiting science labs and checked out some incredible machinery in the design and technology block.

Year 4 MTC's

Year 4 have been working really hard completing their Multiplication Timetable Checkers over the last two weeks, with everyone improving on their practice scores, which is a delight to see.

Times tables are really important when moving through the curriculum in Maths and the more fluent our children are with them the easier they will find the next steps. Practising timetables daily is ideal and will ensure our pupils have the confidence and skills to succeed.

REQUEST From Gardening Club!

If you have any spare adult size 1 and above Wellies that you would like to donate to the school that would be greatly appreciated. We have a lot of smaller sizes but are struggling for the bigger sizes and we definitely still want to be in the garden whatever the weather. If you could send them to the office that would be greatly appreciated.

Coming soon!

Banji Alexander - An author and teacher with rave reviews from Britain's Got Talent is visiting us on the 17th June! We are really excited to meet him and enjoy his wonderful writing (and maybe a few songs along the way).

Sports Day (Friday 26th June!) -

We are very excited about our Sports Day as always and hope as many of you can attend to be wonderful spectators for our children.

Sports day this year is on **Friday 26th June** and we are pleased to welcome the parents and pupils of Marsh Key Stage 1 to join us. The day will have the following times:

- Marsh School KS1 and Beechview Year 3 at 9:30 until 11:30 am
- Year 4, 5 & 6 at 1pm until 2:45 pm

For more information please go to the calendar on Class Dojo (linked [here](#))

PTFA Notice: Summer Fair 17th July

The PTFA have plans underway to run our first Summer Fair at the end of the school year. They will be in contact soon with requests for support. In the meantime, please start thinking about any teddy donations or toiletries that can be part of raffle prizes.

Please [complete this very short survey](#) either by clicking the link or scanning the QR code. We are keen to know how many are likely to attend so we are able to consider numbers for prizes, snacks and drinks.

Message from the Headteacher

It has been a wonderful start back at school with us hitting the ground running with our half term topic "So We Can Change Our World!". This week we have had visits from our Read, Write Inc advisor, which was a huge success and so many successes for children working their way through phonics. We have also been lucky to have our yearly residential with the 'Writing for Pleasure team', working with the teachers and students to improve writing even further.

We are looking forward to the many events coming up this half term with an exciting author visit round the corner and Sports day not far on the horizon. I know the PTFA are working hard thinking about the summer fair, and the year 6's are already planning the Year 6 prom which they persuasively managed to get into the school calendar.

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!

Parent Governor

A reminder if anyone is interested in becoming a parent governor please get in touch with the office. In your communication please inform us about why you would be an asset to the local governing board and your experiences.

We currently have a parent interested in the role and if there are no other applications we will move forward with the correct number of parent governors without requiring a vote.
