What is happening at Beechview

Y6 Ufton Court Trip

On Friday 9th October, the Y6 went to Ufton Court to experience facets of WWII. The children enjoyed their trip very much, which was linked to their history topic. Reports from both the school staff and site staff praised the behaviour of the children and their engagement. Well done, Year 6!

Year 5 - Working with Firefighters!

On Friday 16th October, we had a special visit from the Fire & Rescue service from High Wycombe. The sessions were an opportunity to educate our children on vital fire safety topics whilst also giving them a close-up of the equipment our firefighters use.

Y6 Sporting Success!

We are very proud of Rosie (6 Maple) for working so hard and for competing against others to secure a spot with Wycombe Wanderers Under 11 girls team. We know this is something Rosie has been working very hard on for several years. It is very much deserved. Well done, Rosie!

Parent Survey

Thank you to all the parents who took the time to complete our survey. Your input is greatly appreciated and helps us to ensure good practice at Beechview and to work with our parenting community to make Beechview even better!

We were delighted with the responses and wanted to share some of the key information:

95.2% responded positively to their child being happy in school.

95.2% responded positively to the school being good at communicating.

100% said they would recommend Beechview to another family.

We have contacted the parents who raised concerns to ensure that we are reflective in our practice and able to make appropriate changes should we need to.

Pupil Voice

This week we have been collecting pupil voice as well as it is highly important to gather information from their perspective. We look forward to sharing the results of this information with you in the next newsletter.

Attendance

As the weather turns colder and the sniffles begin, please ensure your child is wrapped up warm and maintaining good personal hygiene when coughing or sneezing. The attendance this year is being closely monitored and we are keen to improve upon last year's success. As you know, good attendance is highly important not just for academic success but also teaching children valuable attributes such as resilience as well as opportunities to engage with peers. Absences create gaps that sometimes can never be filled.

Important Information

Please ensure, **if you are ordering school meals**, you order through **School Grid**: schoolgrid.co.uk

As school lunches are brought in, there is only the amount ordered by parents on the day. **If you do not order via the link above your child will not have a school lunch prepared.** The school office will contact you to bring in a school lunch.

Attendance: Last year the **national average** was **94.7%**. Beechview's was **94.2%**! The running attendance for **this current year** is: **94.02%**!

Message from the Headteacher

We only have one more week of our first half term, and the routines are truly embedded with all the children very much settled. This is when we see huge growth as the learning truly gets going. I know year 6 have already visited Ufton Court as part of the WW2 topic and Year 4 are planning on heading to the Verulamium to uncover more about the Romans.

Next week are parents evening for most classes and this is a lovely opportunity for the class teacher to connect with parents about their child and how they have settled. When sending out the times, we always send out a form for you to share some comments as this can really help us ensure your time is focused on the areas you wish to discuss. Parent meetings are very important for us to work together for your child so we ask everyone ensures they get to speak to the class teacher at this time.

Yours Sincerely,
Mrs Parry-Woolner

Something to celebrate!
